

Leader,

Please, please, please address **Minority Voting Irregularities, Fraud and Impropriety** in Florida!

There has been a blatant disregard of minority voting issues. Minorities voted in record numbers but not all of their vote has been counted. Please look into the following issues:

**Secretary of State Katherine Harris hired a firm to vet the rolls for felons, but that may have wrongly kept thousands, particularly blacks, from casting ballots:**

**26,000 Duval ballots that were rejected by punch-card readers:**

**Gadsen County cops discourage blacks from voting!**

Why is no one addressing these issues?
